RESENTING

A record of the events and happenings of life at Forest Park High School for the year 1940-1941.

HONORING

Miss Ruth Corbett Our Friend

Dedicated to You

girls and boys of Forest Park who play an integral role in the life of the school, this "Forester" is dedicated

OREWORD

We have not attempted to be novel or different with our "Forester"; rather we have worked simply for the production of a book that will be the embodiment of the spirit of Forest Park. If we have caught just a little bit of that spirit, and if in later years, our "Forester" brings back memories of happy school days, we shall feel that our end has been achieved

OFFICE

The office of Forest Park is the place where policies established by the Board of Education and Board of Superintendents are translated by administration, into the many techniques and devices which are required to set up the organization of the school, start it running, and keep it going in such a manner that each pupil may have the best opportunity to develop his capacities in keeping with the best interests of society. The size and nature of the school are such that a very complicated and detailed organization is required. This involves a large quantity of work on the part of the administration and the office staff, making it imperative that all parts of this great human machine known as Forest Park High School function accurately, cooperatively, and at exactly the right time

This perfect functioning results in the spirit of Forest Park

Knowledge acquired in the classroom, through the tolerant and openminded exchange of ideas, will become the underlying factor in guiding our lives, and the lessons learned from our contacts and friendships will influence our actions.

OUR CLASS

If any individual in the class were asked what he thought the most important characteristic of our organization has been, he would most likely answer with one word. It is "cooperation". This fact has been evident since our first project, the Child's Study and Nursing Home entertainment. Were it not for this inherent characteristic, the ensuing activities—Junior Prom, Junior Day, Senior Farewell Dance, "Forester,"

Senior Play, Prom and Banquet, and the Graduation would not have been the success that everyone proclaimed them to be.

Undoubtedly, our class has stood together in everything we have undertaken. This would not have been possible had it not been for our adviser, Miss Ruth Corbett, and the friendly spirit that existed between Miss Corbett and the students.

''LADIES OF

M SS ETTA W SMITH

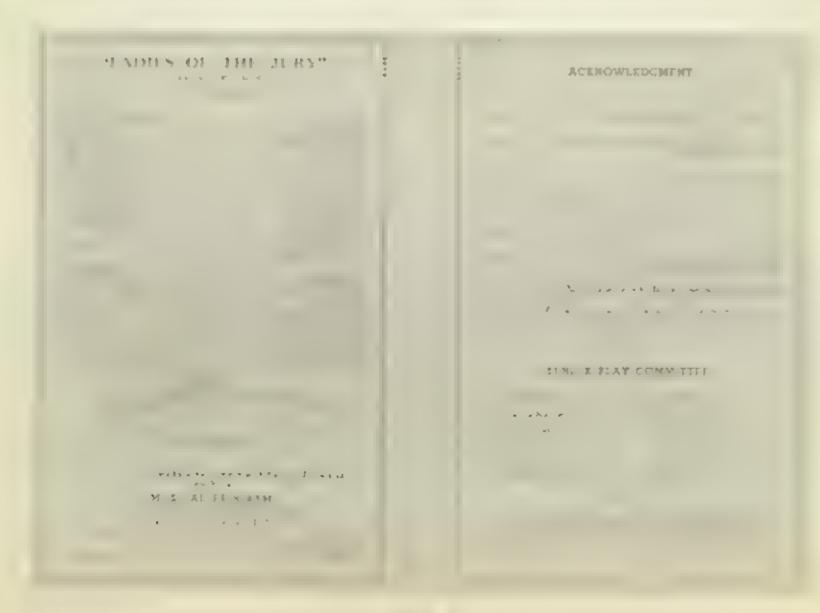

LADIES OF THE JURY

By Fred Ballard

The most notable performance of the year was that of the sophisticated comedy, "Ladies of the Jury" by Fred Ballard. In this delightful farce, opportunities for effective dialogue and dramatic portrayal were well distributed among the members of the cast. Terry Towson gave a convincing characterization of Mrs. Cordon, the widow, on trial for killing her husband. The character acting of Blooma Kanter in the part of the wealthy and worldly jurist was exceptional. Murray Friedlander proved to the Forest Park theatergoers his dramatic ability by the skillfulness with which he portrayed Steve Bromm. Danny Long came through with an adequate character partrayal as the foreman of the Jury, while Joline Kaplan, cast as the tightlaced old maid, carried off

in charge of the jury room Erlaine Dietrich and Bill Jolly gave their acting all the necessary vigor and dash

The cast was well chosen and the smooth performance of the play showed the able direction of Miss Etta Smith Miss Smith had all the local critics raving over her play

EIE

Spontaneous and enthusiastic participation in the many organizations at Forest Park make our school life pleasant and interesting.

ORGANIZATIONS

BOARD OF STUDENT ACTIVITIES

The responsibility for the success of the student organizations falls primarily upon the shoulders of Wendell E. Dunn, Principal of Forest Park. Assisting Mr. Dunn are the members of the Board of Student Activities. The Board acts as a counselor and renders assistance in granting charters to the clubs and activities, manages the finances through the Student Activity Bank, and supervises organized class activities.

STUDENT GOVERNMENT

NEIL ALBRIGHT

Neil Albright, our student president, has been most he pful and considerate. He has presided well over the representatives and worked splendidly with the Board of Student Activities.

ROBERT PERILLA

Robert Perilla, our student vice president has arrused own rut in through his pleasing personality and effective presiding over the Senate.

REPRESENTATIVES

The representatives are delegates to the Student Government from each advisory section. They are pledged to uphold all the rules and regulations of student participation in the government of our school democracy. The girls and boys are a staff symbolic of loyalty.

SENATE

The Senate is composed of delegates elected each semester from each class. This group meets weekly to discuss administrative problems of the school. The Senate approves all new school programs, suggests plans to improve the school, and tries to give all classes equal representation. This year, the Senate successfully launched a plan to provide racks for bicycles.

BOYS' OPPORTUNITY CLUB

The Boys' Opportunity Club is a subordinate organization of the Boys' Leaders' Club. Its main purposes are to encourage the proper attitude among those boys indifferent to the best interests of the school, to influence the right conduct of the students on and off the campus, to assist in all emergencies, and in all extra curricular activities.

Membership in this organization may lead to membership in the Boys' Leaders' Club if the candidates prove they can assume responsibilities.

ADVISORY BOARD

One of Forest Park's newest groups is the Advisory Board. This board suggests programs for advisory periods that are suitable for the various age groups in the school. These suggestions must be approved by the Faculty Advisory Committee before being presented to the student body. Membership is honorary and is limited to those students who are interested and capable. This year the committee presented an assembly to the ninth and tenth grades showing a typical advisory period.

THE STUDENT ACTIVITY BANK

These youthful statisticians delve into the intricacies of accounting in managing the financial records of our school activities. At the end of a year's service, they are masters of figures and are adept in balancing accounts

BOY SCOUT CLUB

The Boy Scout Club is the only club in Forest Park that is part of a nation-wide organization, therefore, it plays an important part in furthering the ideals of this school Its aims are to foster service, character building, leadership, and most important of all, citizenship training

DER DEUTSCHE VEREIN

German Club members demonstrate unusual linguistic ability in their facile discussions. Besides talking, members sing famous ballads and play German games, both amusements creating a desire to master the language.

SOCIETATI ROMANIS

In the largest club in the school, an ancient civilization becomes modern and a "Dead Language" lives as eager students study about ancient Rome through the medium of quizzes, skits, poems, and articles in both Latin and English. The organization is patterned after that of the Roman State.

THE MASQUERS

The Masquers has held to a timehonored standard of notable student acting and play production for fourteen successful years

The members are imbued with a love for the drama and are trained in stagecraft, acting, and the directing of plays

SCRIBBLERS' CLUB

The dramatization of scenes from favorite books and the comparison of a modern best seller with one of the English classics are just two of the ways the Scribblers' Club stimulates an interest in writing prose and poetry. Every year the club visits the theatre, newspapers, radio studios, sees interesting and unusual movies, and hears addresses by important people

MUSIC APPRECIATION CLUB

For those music lovers who enjoy operatic and symphonic master-pieces, and who like to know about the lives of the great composers, the ever-growing Music Appreciation Club was inaugurated

GLEE CLUB

The Glee Club is an organization for girls and boys who are interested in group singing. Wherever there is a demand for group singing, these students contribute their musical talent

THE BAND

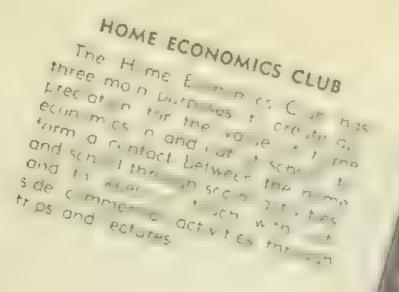

Our band plays an important part in rallying school spirit during the football season and at numerous other school activities. It aims to keep alive an active interest in martial music

ORCHESTRA

No program given by the school is complete without the music of the Orchestra. The Orchestra co operates with all classes and organizations. It also plays at each assembly, takes part in all social activities, and has an annual radio broadcast

CULTURE-TRAVEL CLUB

These energetic girls explore the interesting cultural institutions of Baltimore. They probe deep into the past, discovering long forgotten customs. They show their interest in contemporary culture by visiting places of interest in our city.

CRAFTSMEN'S CLUB

Unusual and alluring scenery for our many stage productions is designed by this conscientious group of workers. These dexterous craftsmen also create clever addities in wood and copper.

CHEMISTRY CLUB Our eager scientists are given on outpurtunity to delve deeply into the study of Chemistry, the lives of impertant chemists and the practical applications of chemistry in every day life proved theories are anolyzed and executed by these taschemicals, fermulas, and equations

OPEN FORUM CLUB

The Open Forum Club meets be monthly for the purpose of discussing current political, social, and economic problems. Experience in intelligent thinking and discussion should, we believe, prepare us for our adult responsibilities as voters and as citizens

RADIO CLUB

These ingenius techniciums are "censed amateur rad", operators and are result situe to the installa turn and operation of our latic cultilities system Station Wilmix

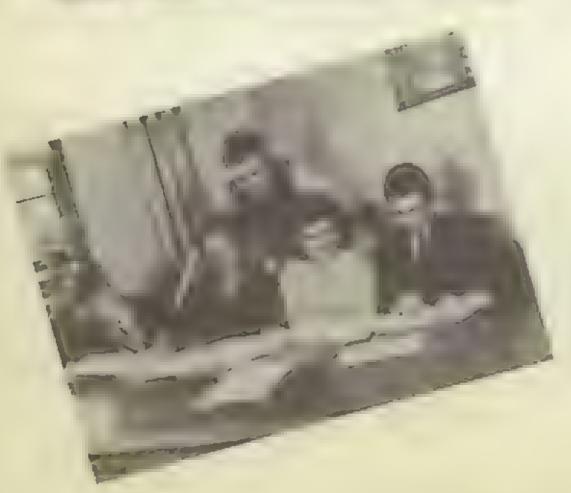

SHORTHAND CLUB

This club has a dual role in that it both teaches and entertains. All types of shorthand students are brought together to improve their writing, to increase their speed, to earn certificates of proficiency, and to enjoy themselves socially. Practice sessions are held every Tuesday, Wednesday, and Thursday morning. A business meeting, presided over by Joline Kaplan, is held once a month. The entertainment provided throughout the year furnishes many good times

THE PHILATELIC SOCIETY

Delving through the stamps of the world in an effort to learn history through stamps is the work of the Philatelic Society. The members participate in many stamp exhibits throughout the city and have an annual exhibition here at school.

CAMERA CLUB

The Comera Club provides instruction in the use of the comera for portraiture, landscape photography, and in special effects in toning and retouching. There are countless other phases of photography which arouse the interest of the members who here learn the technique of making artistic pictures

CHESS CLUB

Each Wednesday, this organization meets to wage mimic wars in an effort to trap as many of the opposing "king's horses and king's men," as are necessary to capture the "big boy" himself. For these chess enthusiasts, there is an opportunity to improve their game and to engage in friendly rivalry with other schools.

Our well balanced athletic program is a tribute to the men and women who have molded this phase of life at Forest Park. They have built the teams of the Green and Gray—sometimes champions and at other times not, but always producing true sportsmen and leaders.

The Green and Gray football squad, uncertain at the beginning of the season, developed into one of the strongest teams the Foresters have seen for many years. They ran roughshod over Vocational, Calvert Hall, Mt. St. Joe, and Patterson Park; tied Southern, Severn, and Poly; but were battered into submission by their deadly foes, City College and McDonogh.

The Foresters' line which appeared rather dubious in the initial games turned out to be one of the strongest developed in several years. Lloyd Mallonee, Robert Perilla and Walter Phillips were mainstays of the line. All Marylander Charles Godwin was very good on end and George Runk was equally good on the line and in the back field. Harry Robbins carried the brunt of the Foresters' attack but Salvatore DiPaula on many occasions broke away on long runs. "Chuck" Creswell, All Marylander, did most of the plunging, passing, and kicking and proved to be very valuable

FIELD HOCKEY

Forest Park's field hockey season was greeted by many enthusiasts. Last year's veterans plus many newcomers donned shin guards and began practice on Tuesday and Thursday afternoons and Saturday mornings. These girls soon showed themselves to be promising material with a fine spirit, good team work, and cooperation.

Forest Park and Patterson's varsity teams tied for the city championship, each having five points to its credit. Another tie occurred between the Forester's junior varsity and Western with six points each.

This year Mr Walter Scheld took over the job as varsity ice hockey coach with Mr Sims serving as advising coach. The Foresters are expected to be in the midst of the fighting this season largely due to Charles Godwin who was the high scorer of the Scholastic League last year. Robert Smith is back for defense duty with Robert Mallonee and Fred Nordhoff, wingmen from last season. Clarence Creswell has been converted into a goalie and is using his big frame to good advantage in front of the nets. Several newcomers showing up well are Robert Edie, Carl Ortman, Dick Sentz and Lloyd Mallonee.

The boys just throw baseball, but and glove onto the diamond as soon as spring begins. Last spring's edition of Forest Park's baseball team although studded with veterans finished the season with a record of three victories and five defeats. The main drawback was the pitching staff. Veteran Jimmy Jones was an outstanding first baseman and Irv Kramer, whose stamping ground was behind home plate, was the heaviest hitter. Graduation this year takes all four of the players who hit over .300. However, five men will return to the diamond next season

LACROSSE

Funny fishnets, a little hard ball, and plenty of pep, with fast running are things which we associate with our Lacrosse team. This year, Forest Park entered the fast A Conference after dominating the B Conference for the past two years. Despite the presence of a well-balanced team, the competition proved too much and only two teams were defeated by Coach McClean's boys Outstanding members of the team were Lloyd Mallonee, Charles Godwin and Ray Hardesty.

GOLF

For many years, the girls' golf team has been defeating Eastern High School, the only rival, in an annual golf match

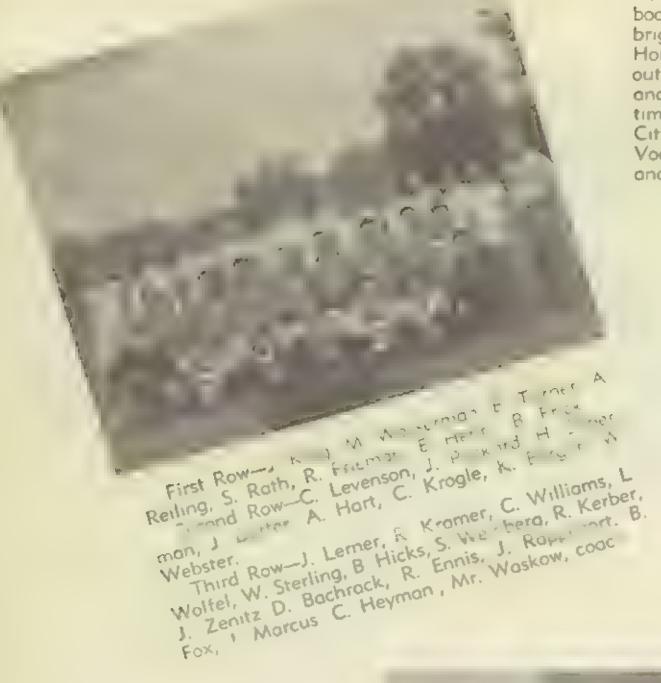

spring and postponed the golf season until the fall. At that time, our girls played matches with each other to determine a champion. Next year, Forest Park's veteran team hopes to have some other schools meet it on the green in order to enlarge its present schedule and to provide more competition.

SOCCER

A mediocre season for the booters was not without its bright spots, because Ross Hornsby developed into an outstanding goalie. Southern and Park were the only victims of the Foresters while City College, Mt. St. Joe, Vocational, Navy Plebes, and Poly overpowered them

ADS AND FEATURES

APPRECIATION

The "Forester" staff began the preliminary planning of this book with practically no knowledge of the vagaries of publication work. The road from the inception of the dummy to its ultimate completion was long, tedious, and rocky. Frequently, the student editors had to seek advice and guidance from their friends on the faculty. Helpful suggestions were always forthcoming; therefore, the editors of the February "Forester" of 1941 are especially grateful for the capable work and kind cooperation of the following

Mr. Henry G. Hirsch for his willing counsel

Mr. Samuel Goldsmith and Mr. Edward Goldstein for their excellent cooperation

Mrs. Helen Brooks, Miss Alice Ekas, Miss Rosetta Feldman, and Mr. Michael Leipholz for their understanding and kindness in urging us on toward our goal

Mr. Sidney C. Schultz of the H. G. Roebuck Company for his technical advice on printing, his patience and understanding of our many problems, and his sincere desire to publish a successful book

Mr Karl H Segali and Mr. David Goldberg of the Majestic Studios for their photographic interpretations

Last, our good friends who advertised in the February 1941 "Forester."
